Hi Jim-

Sorry, the question was more in line of: Has the Port been doing any recent sampling in the area too? Thanks.

Eva, I asked for an agenda.

I am not aware of any Port activities that would be a problem for sampling. The Port is aware that NWP will ask for access.

Thank You

Jim-

Will NWP be preparing an agenda for the meeting? Also, are there any current activities on the Port of Portland property? Are they aware of NWP's activities? And as you probably already realized, I invited our contractor, Mike Allen, to join the 1/25 conference call. Thanks.

Stephanie, attached are DEQ and EPA comments for your December 18, 2015 work plan for groundwater sampling.

Please let me know if there are questions before our meeting on Monday.
